Caught up with the MP Sam Dixon and local Cllrs to discuss issues affecting our wards and any new legislation that may affect council.

Cabinet member briefings including Inclusive economy, community safety and neighbourhood pride.

Highways and transport update presented by Rose Mcarthur.

Resident have been in touch ref

1.Green lane shops appearance,

2.tree issues with neighbours,

E.litter on the slip road from a51(litter clean up was carried out as the cost of £4k in May,)

4.Heath lane bushes on the pathways.

5.Water works removed trees, resident not happy she wasn't consulted, but it's on private land and they have the rights to remove and change things onsite without planning under "permitted development rights" as part of their regulated utility services.

6.Update on empty house in foxes walk. Owner is aware , struggling to maintain due to distance but it has not been abandoned. The council are working with the owner, as it stands there is nothing enforceable with the site.

Reported an issue with android functionality with the Report it app. As it's not a bespoke app it does need some "tinkering" depending on the device you use.

Shared Chester Lord Mayors request for invitation to events in the ward, shared with both community centre managers.

Multiple member budget requests supported so far,

1.Chester Pride,

2. Chester residents association,

3. Changing lives(mental health community support group),

4. eco communitys(included green weekend and ATfest)

5. Buddy and befriending scheme.
